Venkata Sai Mahesh Pothuguntla
.NET Developer
saimaheshp2001@gmail.com
9133817138

Profile Summary:

Experienced and results driven **.Net developer** with a strong background in developing applications using modern technologies. Skilled in designing and implementing efficient backend systems, APIs, and databases while adhering to best practices in **Agile** environments. Passionate about solving complex problems and delivering high-quality secure software solutions while optimizing system performance. Interested to learn and adapt to new technologies and able to show it in results.

Working Experience:

.Net Core Sql Developer at Infosys, Chennai

July 2022 – present

Worked in both development, testing, and deployed backend solutions using C# and the .NET Core framework to meet client requirements. Developed and maintained applications using C#.NET, ensuring scalable and high-performance solutions.

API Development: Designed and implemented RESTful APIs to enable communication between frontend systems and backend services with security best practices. Also designed and implemented ASP.NET Web Services for the Legacy applications backend.

Database Management: Designed and optimized SQL Server objects; performed complex queries, stored procedures, and used Entity Framework Core for streamlined database interactions and ORM implementation.

Collaborative Development: Worked closely with cross-functional teams designers, QA engineers, and business stakeholders to deliver high-quality products.

User Interface: Developed front-end components using HTML, CSS, JavaScript, and Angular for modern UI experiences.

Agile Methodology: Contributed to Agile development cycles, including sprint planning, daily stand-ups, and iterative releases in Scrum environment.

Skills:

- **Programming Languages:** C#, Python, C/C++, Java
- **Web Development:** ASP.NET Core MVC, Angular, TypeScript, JavaScript, HTML, CSS
- **Frameworks & Libraries:** ASP.NET Core Web API, Entity Framework Core
- **Database Management:** SQL Server, Oracle Database, Snowflake
- **Web Services:** ASP.NET Web Services
- **Cloud & DevOps:** Microsoft Azure
- **Other Tools & Technologies:** Git, Visual Studio, SSMS

Certifications:

- Joy of Computing Using Python Certification - NPTEL
- AZ-204 : Microsoft Certified: Azure Developer Associate
- AZ-900 : Microsoft Certified: Azure Fundamentals

Academic Background:

Qualification	Passing Year	Institution	Percentage
B.Tech	2018-2022	Vasireddy Venkatadri Institute of Technology	76
12th STD	2016-2018	Sri Chaitanya Junior College	96
10th STD	2015-2016	Naveena High School	97
